

*“Hope has two beautiful daughters; their names are **Anger** and **Courage**. **Anger** at the way things are, and **Courage** to see that they do not remain as they are.” – Saint Augustine*

The accounts of medical atrocities committed in the name of “science” will **Anger you.**

The facts and action items presented will help you find the **Courage to *stand up, speak out,* and **END** the medical tyranny.**

***Rise of the Fourth Reich* by Steve Deace & Daniel Horowitz www.amazon.com**

**Read it. Share it. Give it to your Elected Representatives.
It's our best **Hope** at achieving true medical freedom.**
